## Movie Trivia

### Mind-Bending Movie Quiz

By Eric M. Olson, BestBuy.com staff writer

Who can resist a reel or two of movie trivia? I've been addicted ever since I "borrowed" all the trivia books from my junior high school library. (I finally returned them — and 178 other books — to an open-mouthed receptionist the last day of 9th grade, but that's a different story). From classic comedy quotes to magnificent mistakes, here are the questions that'll truly test your movie IQ. To view an answer, just hit the link above any question. Total up your score at the very end and see how you rate in my thoughtful assessment of your movie acumen. Remember to keep checking back, 'cause we'll be throwing more movie trivia your way in the coming weeks. (By the way, they installed scanners in the library right after I returned the books.)

#### Classic Comedy Quotes: (Can you name the movie?)

##### 1-point answer:

**Knight 1:** We are now no longer the Knights who say Ni.

**Knight 2:** Ni!

**Other Knights:** Shh...

**Knight 1:** We are now the Knights who say... "Ekki-Ekki-Ekki-Ekki-PTANG! Zoom-Boing! Z'nourwringmm!"

##### 2-point answer:

**Oscar Madison:** I told you 158 times, I can't stand little notes on my pillow. "We're all out of cornflakes. F.U." Took me three hours to figure out F.U. was Felix Ungar!

##### 3-point answer:

**Nigel Tufnel:** You can't really dust for vomit.

##### 4-point answer:

**Tina:** Trust you? The last time I trusted you, Mookie, I ended up with a son.

##### 5-point answer:

**Phil Connors:** Do you ever have *déjà vu*, Mrs. Lancaster?

**Mrs. Lancaster:** I don't think so, but I could check with the kitchen.

#### Magnificent Movie Mistakes: (Can you name the movie?)

##### 1-point answer:

There's some major sleight of hand with breakfast in this 1990 romantic comedy. [Julia Roberts](#) is eating a croissant in one shot; in the next it's a pancake. The pancake then goes from being half-eaten to a whole pancake again.

##### 2-point answer:

During the water volleyball scene in this outrageous 2000 comedy, Greg Focker's team has a diving board right behind them. Funny, but they're standing in only three feet of water. Can't think of any reason I'd want to dive there... unless my vertebrae needed compressing.
